

Contract Surveyor - North America

Why join Kalibrate

For over 25 years, Kalibrate have been staying ahead of the curve in the fast-moving world of fuel and convenience retail. We were the first to use the power of data for making better decisions and today our artificial intelligence & machine learning solutions have turned data into a smart, actionable tools. With over 300 clients in 70 countries, in mature and emerging markets, for clients large and small, our strategy and technology solutions empower fuel and convenience retailers around the globe to achieve greater value and success on their own terms.

It's an exciting time to join us as we have ambitious plans to grow over the next 5 years.

Role purpose

Do you love to travel and want to see more of the US?

We are seeking a person to conduct site surveys at gas and retail convenience store locations across North America.

The position is a full-time contract position and is remunerated based on a per site collected fee.

Survey requirements are:

Surveyors will be given a specific survey area with maps showing all locations from the previous survey and will be required to:

- Locate ALL gas stations and Stand-Alone convenience stores within the assigned area - this will involve driving all major and secondary roads on the maps provided.
- Complete/update the data form on the survey app for all gas and c-store locations, this is a detailed form that must be filled before moving onto next site.
- Collect detailed information such as its exact location, address, facilities, c-store offerings, car wash, quick-serve restaurant (QSR), etc.
- Take 1 photo at each site from the photo feature in the survey application.
- Conduct a short interview with manager of the site to inquire as to monthly volumes for applicable offerings (gas, diesel, c-store, car wash, QSR).

Full training will be given on all the above aspects.

Key skills and attributes

Required Skills & Experience:

- Must be honest, self-motivated, and confident.
- Able to work on their own without too much supervision.
- Available full time for the duration of the survey, 6 days a week preferable.

- Attention to detail a must.
- Need to be flexible on working hours (8-10 hours per day).
- Access to a mobile device with cellular connectivity to complete the RO form on the survey app.

Remuneration will be on a per site completed basis and range from \$9 - \$15.75 per site.
